

Public Notice of Proposal Reestablishing Magisterial Districts
In Lancaster County (2nd Judicial District)

Notice is given that a proposal reestablishing the magisterial districts within Lancaster County will be submitted by the Honorable Dennis E. Reinaker, President Judge of the Lancaster County Court of Common Pleas to the Pennsylvania Supreme Court. The overall goal of reestablishment is to equalize caseload and judicial workload among the magisterial districts to the extent that it's feasible, and to otherwise ensure the effective and efficient administration of justice throughout the judicial district.

Accordingly, the redistricting proposal for Lancaster County includes the elimination of one magisterial district, as well as changes to the boundaries of two other magisterial districts. Magisterial District 02-3-09, which is currently vacant, would be eliminated under the proposal. In addition, District 02-2-08 and District 02-3-01 would be realigned as set forth below. All other magisterial districts within the judicial district would remain unchanged.

The proposal submitted to the Supreme Court reestablishes the magisterial districts within Lancaster County (2nd Judicial District) as follows:
