## ROAD CLOSURE NOTICE

Date: March 11, 2020

To: Fire Departments, NWEMS, NWRPD, Etown PD, EASD and Municipalities

From: John O Yoder III, RA - Twp. Manager

Re: Turnpike Road at Frey's Road – PennDOT Stormwater Pipe Replacement

### ROAD CLOSURE NOTICE:

We have been notified by PennDOT District 8 that **Turnpike Road at Frey's Road** will be closed by PennDOT for a stormwater pipe replacement project from **Monday, March 16<sup>th</sup> through Friday, March 20<sup>th</sup>**, from **8:30 am to 2:00 pm** each day. No through traffic will be allowed during closure dates and times.

Residents living on this section of Turnpike Road as well as Police, Fire, and EMS will be able to access all properties on the effected section of roadway.

A local detour will be established (exact route to be determined). Future closures are planned but PennDOT was not able to share dates and times for these closures at this time. This work is in preparation for a re-paving project later this summer for this stretch of roadway. This is the extent of what has been shared with the Township to date. We will pass along any updates and future closures as soon as that information has been shared with us.
