DISPOSAL PROGRAM
CONOY TOWNSHIP RESIDENTS ONLY

PROVIDED BY  **LCSWMA**

LCSWMA values the Conoy Township community and appreciates the ongoing support of our Lancaster Waste-to-Energy (WTE) Facility. To honor this partnership, **LCSWMA offers Conoy Township residents a limited number of free disposal trips to its Lancaster WTE Facility each year.**

This program is limited to Conoy Township residents. Contact the Conoy Township municipal office with questions or to request additional vouchers:

(717) 367-4927 or
conoytownship@conoytownship.org

You must present this voucher to the Weighmaster at the time of your visit to receive free disposal. Without a voucher, you will be required to pay the appropriate disposal fees. This voucher is only valued at the WTE Facility in Conoy Township.

Before planning your visit, make sure to review the back of this card to determine what materials are accepted for free. Items not specifically noted for acceptance will be assessed a fee. Additionally, certain materials are prohibited and must be taken to the Household Hazardous Waste (HHW) Facility.

Please visit **www.lcswma.org** or call **(717) 397-9968** to confirm hours of operation for the Lancaster WTE Facility.
