PARENTS:

We are offering the children a supervised playground area with special activities. Please make sure you feel that your child understands they must remain at summer playground. Also, we do have certain behavior rules. We do not allow profanity, fighting, or abuse of playground property. If a child is seen doing any of these, the child will receive one warning, and then be asked to leave the playground for the day. We will contact the parent to let them know the problem. If any child continues to cause problems, we may ask that the child not return to playground the entire summer. We do not expect this to happen - in the past our discipline problems have been few, but we cannot allow the behavior of any child to interfere with the fun of the other children! If you have any questions at any time, please contact me at 717-278-8484.

Thank You!
